Automotive Applications for Interior Accessories

PVC, PU Leather for Automobile

• Characteristics and advantages

- 1. VOC free : Low VOC
- 2. Antivocal : Low Noise
- 3. Seat Wear : Good Abrasion
- 4. Anti-Amine : Resistance to Amine from PU foam

• Certificate

ISO-9001, ISO-14001, OHSAS-18001, TS-16949, CHINA 3C

• Supply Performance

PU Leather

• Hydrolysis durability type

• QUV & weather resistance

PVC Leather, Casting

• Contact Us

PU : Junhong Chen

Tel : +886-2-2717 ext.8242, E-mail : junhong.chen@npc.com.tw

PVC : Hunter Hsu

Tel : +86-513-8529-1811 ext.111, E-mail : hunter@npc.com.tw

Interior Accessories

• Applications

Seat Leather

Armrest Leather

Steering Wheel Leather

Dust Cover

Console Garnish

Door Trim

Tool Bag

Carpet

PVC Tape

Sun Visor

Cargo Cover

Handbrake Cover

- Applications By Type :
TPO/ PP-Foam For Upper base

- Applications By Type :
TPO/ PP-Foam For Instrumental Panel

Automotive Applications- for Exterior & Interior Accessories

PVC Film for Automobile

• Characteristics and advantages

1. It is supplied to customers for making dashboard, door, sunroof, sunshading board and carpet.
2. In conformity to the environmental protection requested by customers, meet RoHS, REACH STD.
3. Good Flame resistance, weather resistance and waterproof.
4. Good in physical properties strength.

• Certificate

ISO-9001, ISO-14001, OHSAS-18001

• Supply Performance

3M China, AVERY DENNISON CO. TOYOTA (KUOZUI), Yulon Nissan.

Tel : +86-513-8529-1811 ext.111, E-mail : Hunter@npc.com.tw

• Applications By Type :

For Decoration

For Interior

IVECO

Automotive Applications for Exterior Accessories

Metallic and Hair-line PET, PVC Film

- **Characteristics and advantages**

1. Nan-Ya Aluminum metallic and Indium metallic decoration film for lamination with plastic, stainless materials.
2. Metallic decoration film for car interior or exterior and various sundries.

- **Certificate**

ISO-9001, ISO-14001, RoHS, REACH

- **Supply Performance**

laminated plants and 3D vacuum forming plants

- **Contact Us**

Jackei Hwang

Tel : 02-27178218, E-mail : Hwang5830@npc.com.tw

- **Applications By Type :**

1. Emblem decoration

Cars and motorcycles emblem

2. Indium metallic Film (TOM vacuum forming)

Car wheel decoration

Automotive Applications for Exterior Accessories

Solar Film

- **Characteristics and advantages**

Nan Ya High Transmission, High IR Cut Solar film for car

- **Certificate**

ISO-9001, ISO-14001, RoHS, REACH

- **Supply Performance**

Solar film laminated plants

- **Contact Us**
